

# City Beats Deadline For Grant Of \$120,000

## Mayor's Illness Further Complicates Mixup; But Contract Delivered

Taking no chances of missing Saturday's deadline, Granite City council members, meeting in a last-minute special session Thursday night, sent a special messenger by plane to Chicago on Friday with the signed agreement accepting the federal grant of \$120,000 to plan a master sewer and drainage project.

A resolution to enter into contract with the Housing and Home Finance Agency of the U. S. Government was unanimously approved by the 12 aldermen present for the agreement.

City Atty. William Beatty, who called the special meeting in the absence of Mayor Davis, also arranged for the special messenger to take the signed contract to the Chicago office of the federal agency. Mrs. Ruth Eberhart, the mayor's secretary, was the messenger, leaving by plane Friday afternoon.

The contract was in the hands of HHAFA Director Frank Sperry late Friday afternoon, and after inspecting the form, he told Mrs. Eberhart, "Everything is in order." The next step by the city is to enter an agreement for engineering surveys.

# Missing Woman Found In Snow; 12-Hour Search

Mrs. Martha Brannan, 60, is in serious condition at St. Elizabeth Hospital where she was found in a snowdrift on the west side of the levee at Union and Denver streets. A 12-hour search by police, relatives and friends was still underway when she was found by two boys, who notified police.

Mrs. Brannan, who has been ill for several months, had been missing from her home, 2500 Chicago street, since about 5 a.m. Sunday. Her husband, Joseph, said she had awakened him about 4:30 a.m., but that he thought she had gone back to bed until he got up at 5 a.m. to investigate and found her missing.

At the hospital, Mrs. Brannan said her family had been distressed and had decided to go for a walk. She did not recall where she had gone or how she had been in the snow. The family said she did not suffer from any illness when she was found.

When the missing report was made to police, it was believed she was missing from her home and a light sweater. However, when she was found in the snow, she was wearing a dark coat, which she had taken from her home when she departed.

An ambulance was summoned to the levee to take Mrs. Brannan to the hospital, and she was found in good spirits when she was visited here a short time later.

# 11th Holdup In 54 Years At Life's Drug Store

## Masked Bandit's Loot Less Than \$20; Life Fires Shots In Air

Clarence Lile, 77-year-old druggist, experienced the 11th pickup in his 54 years of business last Friday evening when a masked armed bandit entered the store at 21st street and Delmar avenue about 6:40 o'clock and demanded money.

Lile said he handed over a box and change from a bill, amounting to less than \$20, and the thief fled, running west on 21st street. The druggist went to his backroom living quarters and locked the door. He then fired a pistol then followed the bandit outside and fired six shots in the air.

He told police the holdup man entered the drug store just a few minutes after a young woman, who was waiting at the counter, had taken a box of Life's Handkerchiefs over her face and flashed a silvery revolver that didn't look too real," the elderly druggist said.

In a further description, made to police, Lile said the man was about 30 years old, but was wearing a brown coat. "I didn't believe he had dark hair, was about five feet ten inches tall and weighed 150 to 160 pounds."

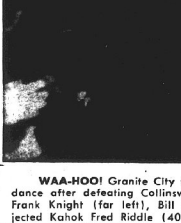

Mrs. Lile also in store.

The bandit had tried to enter through a side door, but it was locked, and he went around to the front entrance on Delmar avenue. Lile's wife, Gertrude, was seated in the store watching television, but was unaware of the pickup until the bandit came in.

Lile said he fired the shot not only to frighten the thief but to warn the neighborhood. However, the bandit made good his escape.

In his 54 years in business at four different locations, Lile estimated his losses to bandits as being about "something under \$500." He has been in the present location since the 1930's.

# WAA-HOO! Granite City players and cheerleaders sang in spontaneous victory dance after defeating Collinsville in regional final Saturday night. Identified here are Frank Knight (far left), Bill McDowell (23) and Max Prusk (holding McDowell). Dejected Kahok Fred Kiddle (40) leaves the court at right.

Granite City high school's first regional championship in 22 years, earned Saturday night in Collinsville with a stunning 72-63 upset of the favored Kahoks, had this area buzzing today as the Happy Warriors prepared to move on to bigger things.

Andy Sullivan's team, which in what is commonly called the toughest regional in downstate Illinois, will meet Dupu Wednesday night in the first round of the East St. Louis sectional tourney. Game time is 8 p.m.

Tickets for the contest went on sale at noon today at the senior high school office, and will be sold until 8 p.m. today.

Principal Lawrence McCauley said this morning that approximately 2000 of the ducaits are available, and that he plans to continue ticket sales tomorrow between the hours of 8 a.m. and 8 p.m.

All tickets are for reserved seats and are priced at \$1.

The two other entries in the East St. Louis sectional are first-ranked Pinckneyville (29-1) and Litchfield, who will meet Dupu, one of four district winners to survive the regional, will place an 18-game winning streak on the line against Granite City (24-5). The Tigers are 24-4 for the season.

If the Warriors emerge victorious over Paul Taylor's outfit, they will meet the Pinckneyville-Litchfield winner at 8 p.m. Friday. The sectional winner will get a shot at a trip to the state meet at Champaign March 18-19 on Tuesday, March 15, in the single super-sectional game, also to be played in East St. Louis.

# Work To Start Next Week On Venice Bridge

## Remodeling Of Main Section; Improvement To Approaches Next

The Whiting-Turner Construction Co., Baltimore, Md., plans to begin remodeling of the McKinley Bridge next Monday, March 14, Mayor John E. Lee announced at Friday night's Venice city council meeting.

The 200-year-old agreement indicates that the work should be done by October.

Improvement of toll facilities and approaches of the city-owned bridge, to be carried out by the General Contracting Co. of Granite City at a cost of \$386,489, is expected to start after General's repaving and drainage work on Broadway street lane dividers. The other phase of the work involves construction of a toll plaza on Main street just west of Broadway approaches, including opening of the Main approach to four lanes of traffic.

Keep Bridge Lanes Open

At least two bridge lanes will be kept open for vehicles during all phases of the remodeling work.

Mayor Lee reported Friday that the work on Broadway has progressed as far as repaving the street as it will until lines are installed and filling is completed.

After the western portion of the project is nearer completion, the city will be remodeling and installation of a drainage line will be conducted along the eastern half of Broadway. It said additional school crossing police have been on duty during the work.

The council accepted Police Captain Emmet Hoover's resignation, which was received in payment. No immediate replacement action was taken.

Comments Small Fire Loss

Mayor Lee commented that the Venice fire loss of \$14,735 fire loss in 1959, saying that the total was "reasonable."

A report by Fire Chief Michael E. Leatherman Jr. listed \$8400 damage to buildings and \$6275 to contents, compared to total estimated value of buildings of \$164,400, and contents, \$64,800, that were involved in fires during the year. He said a "reasonable" estimate of the loss is being planned, and agreed to report quarterly to the council.

The 118 homes in the Venice homes (26 in an uninsured area, Kerr Island, and most of those in the Venice area) are insured for 33 years and rubbish, five fires and stoves, 14 autos and trucks, three bridges and one fire engine, six out-of-town (two Eagle Creek, three Madison and one Brookfield) two false alarms and two calls for the department's rescue truck.

Chief Leatherman reported a per-capita fire loss of \$237 in (Continued on Page 12, Col. 5)

# 9 Persons Hurt In 31 Traffic Accidents In Area

Nine persons were hurt in a wave of 31 accidents in and near the Quad-Cities area over the weekend. However, none of the crash victims suffered serious injuries.

A small boy who was running across Namekoi road near Victory drive was struck down by an auto about 5 p.m. Saturday. The boy, James Monroe, 8, son of Mrs. Elmore Monroe, 2725 Warren avenue, was taken by ambulance to St. Elizabeth Hospital and was released after receiving emergency care.

He was treated for scratches and abrasions to his forehead and abrasions to his chest and right leg. The boy, a third grader, pupil at Marshall school, also complained of pains to his right hip and pelvis.

The boy and a companion, Darrel Willis, 8, of 2701 Marshall avenue, were on their way to television shop, and the motorist, George Riffe, 54, of 1209 Marshall street, Madison, said he saw the boys running and the Willis boy stopped, but the Monroe boy ran into the path of his southbound auto.

Injured In Missouri

Owen S. Williford, 52, of 2546 Sheridan avenue, who was driving a tractor-trailer when he was taken to a Marshall, Mo., hospital, Williford is to be transferred by ambulance to St. Elizabeth Hospital today. He leaves his truck to a St. Louis firm and operates the truck, which will place an 18-game winning streak on the line against Granite City (24-5). The Tigers are 24-4 for the season.

If the Warriors emerge victorious over Paul Taylor's outfit, they will meet the Pinckneyville-Litchfield winner at 8 p.m. Friday. The sectional winner will get a shot at a trip to the state meet at Champaign March 18-19 on Tuesday, March 15, in the single super-sectional game, also to be played in East St. Louis.

# GCHS Debaters Win Sectional Competition

The emergency necessary after the first contract was disappeared. It either was not received by the city, or it was misplaced, and it was not until a few days ago that the federal agency inquired if the city was still interested in the \$120,000 grant and gave a reminder of the March 5 deadline.

A quick search of city offices and some others, failed to locate the first contract, and hurried calls to Chicago brought the second contract to the city in time for Thursday night's meeting.

To further complicate the matter, Mayor Davis, whose signature is required on the contract, had earlier arranged to attend a National Fire Structures Conference in Memphis, Tenn., to obtain information for a fire-fighters training school planned for city firemen.

# Timely Inquiry

However, Mayor Davis said he would leave the conference early in order to be present for the special council session. He returned late Thursday, but with the flu. In fact, it was learned he had been urged to enter a Memphis hospital for treatment, but that he refused and caught a plane to return. City Atty. Beatty said plans were made for the traffic meeting to a hospital as soon as the plane landed in St. Louis, but the mayor decided to return to his home.

Running a fever, he was unable to attend the special meeting, but after the session was finished, Beatty took the contract to the mayor's home for his signature.

The contract allocates the city \$120,000 federal funds to be used for the cost of plan preparation for storm water trunk sewers and appurtenances and minor improvements to existing sewer systems. The planning work and surveys are to be completed by March 15.

# Thief Also In Store

An undetermined amount of money was stolen from the Granite City Pool Parlor, 1911 State street, between midnight 6 p.m. and 10 p.m. Saturday.

Regular citizens scheduled to remain open here until the regular closing time of 10 p.m. were closed by the city's police. The city's police, who were on duty at the time, said they were not aware of the theft.

The Granite City township budget totals \$160,100, down \$5670, including \$34,600 for town purposes and \$125,500 for relief. While the Venice budget, totaling \$214,500, is down \$1572, it includes \$32,201 for town purposes and \$182,300 for relief.

The Namekoi township tentative budget of \$232,740, is \$13,401 under last year's appropriation. It specified \$28,810 for town purposes and \$203,930 for relief expenses.

Granite City township residents may inspect the proposed new budget at the office of Town Clerk A. L. Stevens in the city hall. The budget public hearing is set for 1 p.m. April 5.

# Falls On Snow, Ice Cause Injuries To 3

Falls on ice and snow injured three persons this morning and Sunday. Treated at St. Elizabeth Hospital were David Griffin, 10, son of Mr. and Mrs. Ralph Griffin, 4121 Rodde avenue, George Gassdorf, 53, of 3029 Warren avenue, and Phyllis Hayes, 13, daughter of Mr. and Mrs. Leon Hayes of Rural Route One.

Griffin fell on the St. Elizabeth hospital grounds at 9:30 today and cut his right leg. The wound was sutured and he was released. Gassdorf fell on Sunday night and complained of pain in his left arm and hand. He was admitted to St. Elizabeth hospital and is recovering.

Phyllis Hayes injured her right ankle while sliding and bruises were dressed.

In another emergency case, Edward Ragsdale, 46, son of Mr. and Mrs. Charles Ragsdale, 309 Weaver street, was treated for a cut on his right middle finger, suffered on a glass.

# No New Filing For City Court

With the filing deadline of 5 p.m. Thursday rapidly approaching, no new filings have been received for the April 30 court election in Granite City.

It was learned this morning from City Clerk A. L. Stevens that he is to be elected a city judge and clerk of the city court.

Candidates to date include the incumbents, City Judge Fred P. Schuman and Clerk Mrs. Helen Hanson on the All-City Party ticket, and Marvin Tiedler, an independent candidate for clerk. Several other prospective candidates have petitions.

# Undergo Surgery

The following are recovering from surgery which they underwent since Thursday: Katherine Griggs, 2667 East 23rd street, Opal Vickers, 4124 S. Broadway lane; Zeta Bequette, 2608 Center street; Margaret Morgan, 2208 Grand avenue; Jess Hahn, 2230 Illinois avenue; Hazel Polizer, 1128 Twenty-second street; Robert Carr, 3302 Franklin avenue.

# Mayor Was Ill

However, Mayor Davis said he would leave the conference early in order to be present for the special council session. He returned late Thursday, but with the flu. In fact, it was learned he had been urged to enter a Memphis hospital for treatment, but that he refused and caught a plane to return. City Atty. # Last Week For Voter Registration In Area

Voters who are not now registered must register by Monday, March 14, to be eligible to vote in the April 12 primary election, Miss Elizabeth Hotz, secretary of the Madison County Election Commission, said today.

Special registration centers will be open from 8 a.m. to 8 p.m. at the following locations: Venice city hall, Broadway and Klein street, Saturday, 10 a.m. to 8 p.m.; Madison city hall, 10 a.m. to 8 p.m.; Pontiac road, 9 a.m. to 9 p.m.; Bellemore "Tri-City" center, 2250 Namekoi road, 9 a.m. to 9 p.m.; Venice city hall, 10 a.m. to 8 p.m.; Bellemore "Tri-City" center, 2250 Namekoi road, 9 a.m. to 9 p.m.; Venice city hall, 10 a.m. to 8 p.m.; Bellemore "Tri-City" center, 2250 Namekoi road, 9 a.m. to 9 p.m.

The county clerk's office at the courthouse in Edwardsville, regularly open during the day, also will be open from 5 p.m. to 8 p.m. today through Friday.

The daytime hours there are 9 a.m. to 5 p.m.

Regular citizens scheduled to remain open here until the regular closing time of 10 p.m. were closed by the city's police. The city's police, who were on duty at the time, said they were not aware of the theft.

# February Accident Statistics For GC

The predictions are based on monthly records of past years, with percentage allowances for an increase in traffic and changing conditions. For February, the department predicted 79 accidents, which proved to be far below the actual record of 87 actually occurred during the shortest month of the year.

February's bad weather, while anticipated in part, far exceeded expectations, and the police tabulation shows 16 accidents directly caused by ice and snow, with an additional 31 resulting from wet pavement. The records also pointed out that last month's 96 crashes also set a February record for 10 years.

There was not a single day last month on which an accident was not reported. In fact, there were two days with a single traffic mishap. The record for a day was set on Thursday, Feb. 4,

# Swich Engine Derailed By Ice On Crossing

Ice and snow caused a derailment of a heavy diesel switch engine of Terminal Railroad Association at 20th street about 8:30 p.m. Friday, and the crossing was blocked until about 9:30 when a crane set the engine back on the rails. Police were at the scene about an hour to reroute vehicular traffic.

The trainmaster at the TRRA's Madison yards said ice and snow packed along the rails at the street crossing caused the derailment as the engine was switching cars at Union Street and Refining Co. About two rail-lengths of track was damaged and was repaired Friday night and Saturday.

Walter, \$100 Lost

William Cochran, 1641 Venice avenue, reported to Granite City police Friday that he had lost a billfold containing \$100 and valuable papers in the vicinity of the Bellemore Shopping Center.

# GC Police Predict 87 Accidents This Month

A prediction of 87 accidents, an average of 2.8-a-day, was last week made by the Madison County police department records section, which was shaken by the upset of the estimate for February.

The predictions are based on monthly records of past years, with percentage allowances for an increase in traffic and changing conditions. For February, the department predicted 79 accidents, which proved to be far below the actual record of 87 actually occurred during the shortest month of the year.

# Harold Farrell, 53, Chokes On Ham, Dies

A man who was choking on a piece of ham was pronounced dead at 5:45 p.m. Friday by Deputy Coroner Henry Pieper, who was summoned to Hotel Stevens, 19th street and Cleveland. The victim was 53-year-old R. Farrell, 53, a resident of the hotel.

Pieper, who plans to hold an inquest, said Farrell had gone to the hotel apartment of his brother, Champ Farrell, in another room and the brother was not when he heard Harold choking. He summoned aid from Hotel Clerk Herbert Fahmow and an ambulance was called. Harold, who continued to choke on the ham, collapsed to the floor.

Harold Farrell was a native of Gerald, Mo., and lived in Granite City 41 years. He was employed as a millwright in the local ship department of Granite City Steel Co. for 37 years.

Survivors in addition to his brother, Champ, are his daughter, Miss Bonnie Farrell of Granite City; another brother, Leo Farrell of Panhandle, Tex., and his mother, Mrs. Virginia Farrell of Madison.

Funeral arrangements are given in today's obituary column.

## National Commander Visits Local DAV Auxiliary Unit

Mrs. Florence Green, national commander of the Disabled American Veterans Auxiliary, was honored Saturday evening with a banquet at the local DAV hall. She is currently on a tour of Illinois Auxiliary chapters to report to the members on the increase of auxiliary activities at veterans' hospitals.

Before arriving here, Mrs. Green, who is a resident of Kalamazoo, Mich., visited the Marion, Ill., veterans' hospital and made a brief stop in East St. Louis.

Greeting her upon her arrival here were Mrs. Ann Wright, of Waukegan, state auxiliary commander; Mrs. Irene Nienhaus, commander of the local auxiliary chapter; Mrs. Elva Johnson of East St. Louis and Mrs. Lillian Hefferty of Granite City, past state commanders; Mrs. Virginia Tebbey of Millstadt, state treasurer; Mrs. Olea Stites of East St. Louis, state junior vice-commander; Mrs. Marie Warren, commander of the Springfield chapter; Joseph

Hefferty, state junior vice-commander; George Krpan, commander of the local DAV chapter; Joseph Biagi of St. Vernon, Egyptian district commander; and George Johnson of East St. Louis, Golden Rodent of Dug Out 311.

The banquet for the national auxiliary commander was attended by 60 persons with Mrs. Johnson as mistress of ceremonies. There also were brief talks by Hefferty and Mrs. Tebbey.

A key to the city was presented to Mrs. Green by Assistant Police Chief Floyd Jeff. In the absence of Mayor Davis, who was ill, and entertainment was provided by a Latin American band under the direction of Robert Todoroff, Granite City school district music instructor.

It was announced during the banquet that an Eighth District convention is to be held in Wisconsin late in April. The district is made up of auxiliary chapters in Illinois, Michigan and Wisconsin.

## 11 K of C Members Enter Fourth Degree

Eleven members of Knight of Columbus Council 1088 were initiated into the fourth degree last night during a banquet and ceremonies held at the East St. Louis, Knights of Columbus council home.

The initiates are Ronald Gresek, William Christiansen, Louis Biane Jr., Joseph Lane, Joseph Rogee, John Yurko, Robert Plantz, Albert Triand, Edward Horton, Edward Coleman and Rev. Sylvester Mickel.

Following the initiation, the members returned to the local K of C home for formal dancing. Refreshments were served by members of the third degree to 40 members and guests.

## Winn Charged With Possession Of Narcotics

An additional charge of possession of narcotics was filed last Thursday against Stephen L. Winn, 32, of 1912 Harris street, East Madison, who was being held in the county jail at Edwardsville when 27 capsules were found in his clothing.

Winn had been arrested Feb. 23 at his home, where deputy sheriffs routed him with tear gas after he had threatened a relative with a gun. He was taken into custody after a week's surrender and was charged with assault with a deadly weapon.

It was while he was in the county jail on the assault count that county officials received a tipoff on the hidden narcotics. The capsules were found in his trousers.

Winn also is awaiting trial on charge of murder, stemming from a shooting at a former East Madison tavern in 1958. The case has not been tried.

## Probation Granted Two Local Youths

Two Granite City youths who pleaded guilty to burglary on Feb. 15, were placed on two years probation Friday during a hearing before Circuit Judge Harold R. Clark at Edwardsville, Ill.

They were Charles E. Miller and Robert T. Hudson, both 17. A third defendant, Lawrence R. Butts, 18, was sentenced to 1-to-2 years at Menard penitentiary.

Another case was continued on one week by Judge Clark. It involved Donald Lee Dillon, 27, another applicant for probation in a burglary case.

## Nameoki Township Proposed Budget Down \$13,401

The Nameoki township proposed budget for the fiscal year from March 28, 1960, to March 27, 1961 is \$13,401 less than the adopted budget of this fiscal year, figures on display at the township office on Lake drive show. A public hearing on the proposed budget will be held in the office at 7:30 p.m. April 5 with final adoption set for a town meeting April 5 at 7 p.m.

The proposed budget is lower even though expenses for a proposed town hall has been added that are not in the current budget. According to Supervisor Harry Briggs, the big difference between the two budgets is an \$18,021 expense in the 1959-60 figures for payment of back bills to the Midwest Blacktop Roads Inc. for road construction projects going as far back as 1949. Although the proposed town hall is still in the talking stage \$4500 was set aside for expenses because it is believed that the hall will become a reality within the year.

"We hope to get started in the spring," Briggs told the Press-Record. Also added in the proposed budget is \$670 toward social security payments which the present budget does not have. Another decrease in pay of deputy assessors which were needed in the present budget for the regular four-year reappointment program. A total of \$1200 was expended for this purpose in the present budget and is not reported in the proposed one.

Other than these changes the rest of the proposed budget responds generally to the same figures of the present budget.

The breakdown of this year's tentative budget compared with last year's final figure follows with the new figures in parentheses. Compensation of town officers: supervisor \$1450, same; town clerk, \$1225, same; assessor \$4000, same; highway commissioner, \$4940, same; board of auditors, \$1680, same; trustee commissioner, \$100, same; supervisor of general assistance, \$1500, same; health officer, \$100, same; social security, \$550, none; deputy assessor, none, \$1200; total compensation, \$15,555, \$15,625.

## Hoover Is Named Deputy, Replaces One of Two Fired

One of two vacancies created by discharge of deputies last week was filled Thursday by Sheriff George Musso. The sheriff named Ernest Hoover, 660 Broadway, to replace Theodore Skoklo of Madison.

Earlier Thursday, Hoover submitted his resignation as a member of the Venice police department. He held the rank of sergeant and was eligible to begin receiving half-scale retirement pay, having joined the department in 1936.

Musso said Hoover "called up and asked for the job. I didn't say to him." He added that Hoover contacted Deputy Fred Craycraft also of Venice, about filling the vacancy.

Hoover's wife has been active in the Democratic party in Venice township, but Musso commented, "That wasn't a requirement."

The other night rider discharged last week was Deputy Sheriff E. J. Madison. Sheriff said that he was not yet ready to name Walton's successor.

The firing of Skoklo and Walton took place after Madison and Venice political leaders said they would stand by their decision to support State's Attorney Dick H. Mudge Jr. for re-election. The sheriff is supporting Mudge's primary opponent, Anthony W. Daly.

Marzluf Youth Has Lost His Sight

Phillip Marzluf, 12, has lost his sight in his left eye, a re-examination by an eye specialist in St. Louis revealed. Mr. Marzluf told the Press-Record today he was re-admitted to Cardinal Glennon Hospital for another operation when it was also discovered that part of the object which hit his eye had not been removed in the original operation.

The youth, son of Mr. and Mrs. Charles Marzluf, 2924 Washington avenue, was struck in the eye by an unknown object in a trash fire explosion. Phillip and a playmate had started to keep their eyes after playing baseball Feb. 14. Until the recent check-up it was believed that the boy still had a chance to keep his sight.

"He can make out moving objects but it is hazy," Mrs. Marzluf said. "The doctor said the condition will get worse so only a miracle can restore his sight. The operation is to be performed Wednesday."

Speaker At Local Church This Week

Rev. Leo Venetta of Leama, Ill., will be the speaker each evening at 7:30 o'clock at the interdenominational SEE (Simultaneous Evangelism) emphasis program being carried on locally at the Good Shepherd Evangelical United Brethren Church in Glenview.

The meetings will be continued through Thursday. Rev. Venetta took part in the dedication services at the new church Sunday.

STRICTLY FOR THE BIRDS  
A number of Quid-Cityans are tossing out bread crumbs daily to aid birds who are starving because of the blanket of snow. Many homes have outside feeding stations which draw flocks of birds—including robins, pigeons and starlings and sparrows.

In the above photo, a lean sparrow has grabbed up a crumb of bread and is spreading his wings for a quick takeoff, after being startled by the click of the camera shutter.

The photographer experienced a little difficulty in obtaining this picture, as other nearby residents scattered bread in their yards about the same time the crumbs were placed on this feeding station.

The birds seemed aware of a nearby open window and a protruding camera, and after a 30-minute wait, a lone sparrow decided to make the risk and flew in for a quick pickup.

## 2nd Baptist Tops Depot, Still Leads Church Loop

Second Baptist moved a half game ahead of second-place First Assembly of God in a see-saw battle for top spot in the park district Church basketball league Thursday night by pinning, a 63-49 loss on the Engineer Depot Church at the Coolidge gym.

Held to a 13-13 tie in the first quarter and leading only 29-27 at halftime, Second Baptist exploded in front in the third period and led 46-32 as the Depot shooting went awry.

Dewey Melton arched in 30 points for the Baptists, who are now 9-0, and Norman Grote had 20 more for the winners. Glen Combs hit 18 for the Depot Church cagers, and Ray Landis 11.

Second Baptist will meet the Polish Eagles at 7 o'clock to-night on the Coolidge floor in a make-up contest postponed from Dec. 17. Second Baptist originally was scheduled to meet Third Baptist, but the latter squad has been dropped from the league.

One other park district cage makeup is set for this week. Lincoln Place Health Club will tackle the Five D's in a postponed Senior Teenage league game at 8:15 p. m. Thursday at the Nameoki gym. The Senior Teenage season has been completed except for this contest, which will not affect the final standings.

## Modern Exterminators Rally, Win Classic League Playoff Title From Teachers 92-84

Trailing by 11 points at halftime, the Modern Exterminators staged a second-half rally — which has been typical of the team all season — to win the park district Classic basketball league playoff championship Thursday night at the Coolidge gym, defeating the Teachers 92-84.

The regular season champions, together a 32-point third period to overcome a 45-34 Teachers halftime lead, built mainly on a 24-point first-half performance by the losers' Bob Miller.

Sparked by Bob Page, Don Lyman and Dave Hrysko, who scored 30 points between them in the third stanza, the Moderns held Miller to four points and the Teachers to 17 to go to three defeats.

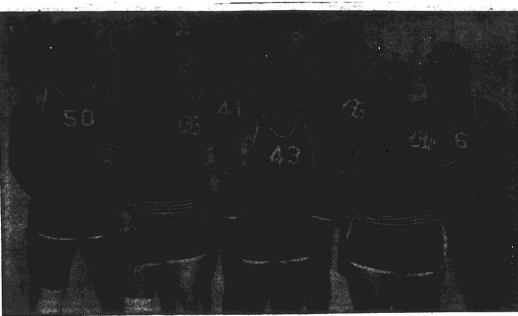

The Teacher, surprise winners over Spangler Oil in the first round of the playoffs, had a 4-10 overall mark. Spangler took second place during the regular season with nine wins and two losses.

## Park All-Star Team In NBC Cage Tourney

The Granite City park district's classic basketball league all-star team, already entered in the Joliet Park District tournament on April 4, 5 and 6, has added two players to its roster and will compete in the National Basketball Congress tournament in St. Louis this weekend.

Harold Brown has announced, sixteen teams are entered in the NBC meet, a statewide tourney for teams in Missouri and the nearby Illinois area. Games will be played at the Tandy Recreation Center, Goodfellow Blvd. and Kennerly avenue, and at the Glasgow and Gamble streets, on two successive weekends.

The tournament will begin this Friday, with first-round play continuing Saturday and Sunday. Quarterfinals, semifinals and finals will be played the following Friday, Saturday and Sunday, March 18, 19 and 20.

Trophies will be awarded to the first, second and consolation teams, with the winner earning the right to compete in the national NBC amateur tournament in Tulsa, Okla., March 28-April 2.

League officials, headed by tourney Chairman Bob Reed of St. Louis, and referees will select 10 players from the St. Louis meet as members of an all-tourney team.

Added to the Classic League all-star roster for the NBC eliminations were Bob Duffield of Modern Extension, in the Classic loop and Dewey Melton of Second Baptist, members of the Church League. Coach of the team is Bob Miller.

**St. Elizabeth Wins First Round Game**

St. Elizabeth of Granite City came from behind late in the game to stop Blessed Sacrament of Springfield 37-35 in a first-round game of the Springfield Diocese basketball tourney at Effingham Saturday.

The winners will advance to a second round contest to be played at the Marquette gym in Alton Saturday afternoon.

## Classic Stars Win Feature Contest At Park's Basketball Sports Night

Classic league all-stars topped a team made up of Church and Teenage loop players 76-62 in the feature game at the Granite City park district's annual basketball sports night Friday at the Coolidge junior high school gym.

Approximately 200 fans on hand saw three other games, with Red and Blue division players topping Green division representatives 9-8 in a Midget league contest, the Eastern all-stars defeating the Northern all-stars in a Junior league exhibition, the Blues defeating the Reds 25-30 in a Senior Teenage game, and the West trampling the South in another Junior league game.

Following the court action, individual recreation awards were presented to each member of the Boys' Basketball league who was a member of a championship team.

The awards were given out by park commissioners Barry Loman, Milton Worthen, Earl Bloomquist, Clarence Baumeier and Milton Allen. Games were officiated by Bob Miller, Glenn Mercer's 2, Branding 3 Ser. Sta. 1; Bowland 2, Vesel's 3 Ser. Sta. 1; Orchard Lounge 2, C. E. ## GC Judo Club Takes Two Trophies, Two Medals At Second Annual Meet

The Granite City judo club picked up two first-place trophies and two runner-up medals in competition at the club's second annual invitational judo meet Saturday at the YMCA.

Approximately 400 persons witnessed the competition between "judokas" from Granite City, St. Louis, Chicago and Detroit. Four promotions went to members of the local club. Linda Tindall and Beverly Harris advanced to third-degree brown belt, while Wally Barr and Bob Topal moved up one notch to second-degree brown belt.

**Black Belt Finals**

In feature competition, Rhett Summerville, representing the Chicago Judo club, defeated Jim Berres of the Shinde-Kan club in Chicago for first place in the black belt finals.

# Warriors Meet Dupo Wednesday In Sectional Tourney

1960 REGIONAL CHAMPS! Granite City Warriors gather in the dressing room after their stirring upset of top-ranked Collinsville 72-65 Saturday. Front row, left to right, Principal Lawrence McCowley, Bill McDowell, Jim Simpson, Rich Williams, Carl Wortham, Frank Knight and Harry Fitzhugh, president of the Illinois High School Association, who presented the trophy. Back row, Harry Smith, Dick Yates, director of athletics, Larry Farnham, Max Prusak, Coach Andy Sullivan, Bob Price, Manager George Monken, Harry Cook and Bill Bucky, assistant coach.

## Granite City Downs Kahoks 72-65 For Regional Title At Collinsville Saturday

Conquerors of a Collinsville team rated No. 1 in Illinois during much of this season, Granite City's basketball Warriors will meet Dupo at 8 p.m. Wednesday in the first round of the East St. Louis sectional tournament.

For Coach Andy Sullivan's team it will be the second chance in two games to seek revenge for earlier defeats. Dupo defeated the Warriors 66-62 on Feb. 11.

In Saturday's Collinsville regional final, Granite City gained revenge in a sweet way by beating the host school 72-65. The Kahoks had beaten the Warriors twice during the season and were heavy favorites to not only win the tourney but also to reach the state finals at Champaign.

The key to the regional championship Warriors players besides pishonship victory was the containment of Collinsville's Bogie Redmon, and an ability to hit free throws. Although Redmon scored 24 points, 11 came in the final quarter after the momentum was in Granite City's favor. In the earlier two games, the 6'3" Kahok center was almost personally responsible for Granite City defeats with his many tip-ins and rebounds.

Move From 48-43 The game was tied for the last time at 48-48 with slightly less than seven minutes to go. Frank Knight's free throw and a long jump shot and free throw by Rich Williams put the Warriors three points ahead with 6:31 to go, and Collinsville knew it was in trouble.

Granite City maintained a pressing defense throughout the last three periods, but with 5:58 to go the Kahoks joined in and both teams pressed the remainder of the game. The difference was that the Warriors managed to overcome the Collinsville press but the Kahoks seemed a sure ticket to tourney elimination.

But junior forward Frank Knight came through, as did Williams' replacement Harry Cook and Price to overcome the Redbird lead. Then after the Redbirds came back with two free throws and moments later hit a short jump shot to cut the Alton lead to only 44-43.

Then after the Redbirds came back with three straight points, it was Cook's turn to play hero. The guard, under tremendous pressure on his shoulders, went to the free throw line twice and made three of four to pull the Warriors within one again, 47-46, with 3:41 left.

After Sloan McAfoos hit on two free throws, Price came through with a long 35-foot jump shot which was followed by a layup seconds later by Knight and the Warriors were ahead to stay with 3:55 left.

The climax came when Cook was fouled with only seconds left, when Granite City tried to stall, and he stepped to the line and made one of two shots for the final 53-51 lead. Alton immediately took a time out with six seconds left but a last second shot by McAfoos missed the mark.

The fight broke out around the scores bench when a fan hit the official timer and other men around the area jumped in and broke the fight.

The Warriors had fallen behind, 16-10, after the first quarter but came roaring back to win the game.

Collinsville jumped to a 16-10 first quarter lead and looked like it was on the way to an easy win Saturday day. Although Redmon was bottled up under the basket, the Warriors led by Fred Riddle, were hitting on long shots and raced to a ten point lead, 20-10, early in the second quarter.

But the Warriors came back, as they had in the second period Friday against Alton. Behind Williams and Carl Wortham, they tied the game at 21-21 at halftime.

In the third quarter, the game was nip-and-tuck all the way until the final few minutes, when Granite City took a three-point lead as the Warriors, 48-45, Knight, Williams, Price, Wortham and Jim Simpson all scored baskets in the quarter as the Kahoks learned that

ELUSIVE BASKETBALL is object of attentions of Granite City's Carl Wortham (11), Fred Riddle of Collinsville (40) and Jim Simpson under Warrior backboard Saturday night. Kahoks Gary Dolzadelli (32) and Bogie Redmon (54) are poised on the opposite side of the basket.

venge-bent crew in Thursday's semi-final game. With Bogie Redmon in top form, the Kahoks thoroughly twisted the Tigers' tail, 78-58, eliminating Joe Lucco's comeback crew from the tournament. Redmon poured in 38 points, 24 of them in the first half. Edwardsville, after a slow start, could get no closer than nine points midway in the third quarter as Collinsville rolled into the final round.

Championship game scoring: Granite City 72, Williams 20, Knight 18, Wortham 15, Simpson 11, Price 8, Collinsville 72, Dolzadelli 32, Redmon 54, Laith 5, Adamitis 4, Darling 3. Friday's game: Granite City 71, Williams 12, Price 11, Wortham 6, Cook 4, Alton 4, McAfoos 15, Rathgeb 12, Stampley 11, Galleland 6, Yavorski 4, Robinson 3.

Steel Co. Keglers Grab NMA Honors in Local Pin Tourney

Granite City Steel Keglers grabbed all the major prizes in a 32-team St. Louis Area National Management Association Telegraphic Classic bowling tourney at Bowling Saturday.

High scratch scores were recorded by Bill Gaumer, 233, and the St. Louis Budweiser team, Jim Harper, 677. Art Slay took the handicap honors with 257, two overage bowlers, in two exhibition games before the tournament began Saturday afternoon.

2622, and also had the handicap re-high single game of 1060 pins.

ATTENTION: TAXPAYERS OF GRANITE CITY  
Subject: Judge of the City Court, Election, April 30, 1960.

## WEEKLY NEWS LETTER

After much reflection I have decided to seek the office of Judge of the City Court of Granite City, as a candidate of the newly formed "CITIZENS ANTI-LEEVE BOARD PARTY". This name is peculiarly appropriate for this election in as much as my opponent, Fred P. Schuman, is attorney for the "East Side Levee Board" and undoubtedly will receive their active and full support in this election. It is my considered opinion that the duties of Judge of the City Court and his duties as attorney for the Levee Board violate the Separation of Powers clause of the Illinois Constitution. Apparently Mr. Schuman shares my opinion since he promised to give up this Levee Board political appointment when he was a candidate and was elected Judge of the City Court over two years ago.

I will write a series of weekly letters in this newspaper telling you my qualifications for this office and defining the issues confronting you as taxpayers and citizens.

I reside at 3254 Westchester Drive, am married and have four children; I am in the active practice of law with Morris B. Chapman and am now President of the Tri-City Bar Association. I have served as a Director and Attorney for Paddler's, Inc. without remuneration in the interest of providing swimming facilities for the citizens of our city. I have been active in Khoury League Baseball for Boys and other sports programs for the youth of the community.

I promise you that if elected I will render full time to this important office and I state publicly that I will accept no other appointive or elective political office so that my interest will be solely in maintaining a complete, efficient and independent court.

## Walker Sets MHS Scoring Record For One Season

Madison's Ed Walker established a new school record for most points scored in any one season by a Trojan basketball player during the court campaign just completed, a check of school files showed today.

The 6-5 center bucketed 541 points in 25 games for a 21.6 average, and as a junior eclipsed the old record of 523 points scored by Dave "Bunny" Hryskov in his junior year.

Walker, who is being touted as possible all-state material, used a soft jump shot as his favorite offensive weapon, but also showed tip-in talent under the boards and was the Trojans' top rebounder.

A check of shot charts showed that the talented junior, who developed a hook shot late in the season, made good on 217 of 390 field goal attempts for a 55.6 shooting percentage.

Madison coach Charles "Bud" Mueller has called Walker "the best center on the East Side this year," and many other coaches in the area have echoed his feelings.

Held below 15 points in only one game during the 1959-60 season, Walker was at his best against cross-town rival Granite City, scoring 81 points in the three games between Madison and the Warriors for a 28-point average.

His best effort during the past season was against Cahokia in a Midwestern conference meeting when he earned 34 points. "He's the most consistent scorer I've seen," Mueller said. "He just didn't have a really bad night all year."

The amiable junior, on whose shoulders fell a majority of the Trojans' scoring responsibility after senior Jake Young turned 19 and reached the state eligibility, also won the Midwestern scoring titles with 197 points in 30 games.

son's regional, sectional, super-sectional and state squad last year.

"We've still got a couple of revenge games to play, I hope," Sullivan commented Saturday. Dupo, Granite City's opponent Wednesday night, beat the Warriors 66-62 on Granite City's court earlier this year, and Pinckneyville, which plays Litchfield in the same sectional, topped the Redmen 66-39 in the championship game of the Centralia holiday tournament.

Madison Frosh-Soph Team Beaten In 1st Round Of Tourney

Madison's frosh-soph basketball team could hit only 2 of 13 free throw opportunities Saturday in a first-round game against Jacksonville at the Jerseyville frosh-soph tourney, and lost 61-58.

Madison held the Jacksonville squad to a 36-36 halftime tie, and then fell back and never caught up. "They were later and had better size," Coach Lee Ashby said, "but still tried to use the game."

The Little Trojans ended the season with the tourney loss, and compiled an 8-2 record. Charles Venarsky topped Madison with 14 points and freshman Terry Andrews followed with 13.

Parked Car Struck

John Mozier, 52, of 1806 Sreen street reported to Madison police that his car was struck while parked in front of his house at 5:15 p.m. Friday. The other car left the scene.

## TOURNEY SIDELIGHTS

Granite City's win Saturday gave the Warriors their first regional title since 1938. Two years later, Granite City finished in the runner-up spot. Under the system in effect at that time, the team advanced to the sectionals, and then on to the state title.

Wood River upset Granite City in the regional final 38-28, and the Oilers were beaten in turn by the Warriors in the sectional final, 36-22.

Granite City Coach Andy Sullivan raised the question of a spare backboard. "Just in case," at the officials-coaches meeting to set up the regional several weeks before it was held. Maybe "Irish Andy" has perceptive powers—a spare was needed Wednesday after Edwardsville's Tony Penetion had pulled down one basket in a pre-game drill.

"It was undoubtedly the best game we've played all season," Sullivan told reporters in the Granite City dressing room after the championship game. "The

boys didn't lose the ball once against Collinsville's press, and we pretty well shook them up with one of our own."

Only blemish during Granite City's tournament performance was the arrest of Robert Meyer, who acts as scorekeeper for the Warriors, on a charge of assault during the game at Collinsville, scoreboard operator, following an incident at the scorer's table just after the GC-Alton game had ended. Knattal alleges that Meyer struck him, and the Granite City is free on a \$400 bond.

Collinsville fans sat stunned after the final gun Saturday night. Many girl students at the host high school sobbed openly in venting their disappointment. The Kahok dressing room was as quiet as a tomb, and it was many minutes before Kahok players began doffing their uniforms for the shower stalls.

Bobby Price has the unusual distinction of being a member of two regional championship teams in two years—at two different schools. The Granite City guard was a familiar fixture on Madison's bench.

## Funeral Services Held For Turner Infant

Funeral services were held at 2 p.m. Sunday in Leadwood, Mo., for William Turner, nine-month-old son of Mr. and Mrs. Gilbert Turner, 2007 Sixth street. The infant died Thursday afternoon in Barnes Hospital, St. Louis, from a weakened condition after an operation for congenital heart defects.

William was the center of area-wide attention last month when it was reported in the Press-Record that he needed 25 blood donors to keep a steady flow of blood going through his heart during the delicate operation.

The infant was born May 31 with a cavity between the two upper chambers of his heart and with an extra blood vessel that runs from the left ventricle to the main artery. The condition was discovered when he was four months old and the operation was to have corrected it.

After the article in the paper appeared, the family received over 150 offers from Granites and area people and 25 were selected. They were on hand at the hospital for the operation.

The infant is also survived by three brothers, Keith, 17, David, 6 and Kevin, 4; a sister, Linda, 12; maternal grandparents, Mr. and Mrs. William Smith of Franklin, Mo., and paternal grandmother, Mrs. Carvel Turner of Farmington, Mo.

Interment was in a cemetery near Leadwood.

## Lost Rites Held For Mrs. Cora Cahill, 96

Funeral services were held Friday afternoon in St. Louis for Mrs. Cora B. Cahill, 96, 3672 Lafayette avenue, who died Monday, Feb. 29, of infirmities. A former resident of Venice for many years, Mrs. Cahill was a charter member and past worthy matron of New Hope Chapter 452, Order of Eastern Star, and a member of Drucilla Andrews Chapter, Daughters of the American Revolution. Until recently she regularly attended meetings of both organizations here.

Survivors include three daughters, Miss Susan Cahill, who resided at home, Mrs. Frances Cooke and Mrs. Blanche Paulus and several granddaughters and great-grandchildren.

## \$214,301 Tentative Venice Town Budget, Drop of \$1572

A tentative budget of \$214,301 for a Venice township has been drawn up and is on display at the township office at 1502 Fifth street, Madison. It will be voted on by citizens at a town meeting April 5 in the Venice city hall.

The proposed budget is \$1572 less than the figure for the fiscal year ending March 28 of this year. The new budget will cover the year from March 29, 1960, to March 27, 1961.

The decrease is due to a \$6704 cut in the town fund budget from last year. The proposed 1960-61 budget in this category is \$32,201, compared to \$38,905 last year.

The town fund decrease offsets a \$5132 increase in the general assistance fund. In the latter fund, a budget of \$182,100 is proposed for the coming year, compared with \$176,968 passed at the last annual town meeting.

**Factors In Decrease**  
The town fund decrease is due to the fact that there will be no election this year and also the assessor had office help and picture expenses in a 1959 re-assessment program which will not be repeated.

The general assistance fund increase is because of an anticipated increase in food distribution due to a larger relief load.

"We have to anticipate the worst in our budget plan," Arthur W. Moore, supervisor, said. "Last year we had more people on relief and so we must make allowance for any added increase that might happen this year."

Another increase factor in the budget is the rise of social security payments.

**Town Fund**  
The breakdown of the proposed town fund budget, followed by a comparison with last year's figures:  
Compensation of town officials: supervisor, \$600, same; town clerk, \$1200, same; assessor, \$4500, same; highway commissioner, \$2000, same; board of auditors, \$700, same; supervisor of general assistance, \$3600, same; health officer, \$100, same; social security tax payments, \$337, \$305; total, \$13,057, \$13,005.

Elections: Compensation of judges and clerks, none, \$1600; election supplies, \$300, same; rent of polling places, none, \$200; hauling voting booths, none, \$100; total, \$300, \$200.

Town officers' expenses: stationery, office supplies and expenses, \$150, \$500; printing and publishing, \$400, \$300; help, \$8000, \$13,000; rent, \$300, same; office equipment, \$200, \$300; transportation and travel, \$2500, same; social security tax payments, \$320, \$300; total, \$21,400, \$17,750.

Services and expenses not otherwise provided for: auditing (other than board of auditors), \$500, \$300; legal, \$1800, same; insurance premium, \$450, \$350; bond premiums, \$2500, same; social security payments \$54, none; total, \$4504, \$4950.

Provision for contingencies: \$1000, same. Total of estimated expenditures and appropriations: \$22,201, \$35,965.

**General Assistance Fund**  
General assistance fund provided budget figures follow:  
Home relief: food, \$100,000; \$55,000; rent, \$6500, \$6000; fuel, \$250, \$800; light, \$50, same; water, \$500, \$100; gas, \$50, \$200; clothing, \$5000, \$8000; medical care, \$3000, same; transportation and moving, \$100, same; room and board, \$250, \$240; total, \$128,500, \$125,740.

Hospitalization: private hospital, \$24,000, \$20,000; convalescent homes, \$4000, \$3000; ambulance service, none, \$200; total, \$28,000, \$23,200.

Transient cases: \$300, same. Institutional care: none, \$3000. Burial: \$1000, same.

Administration salaries (excluding elected officials) \$16,560, \$15,000; printing, stationery and office supplies, \$300, \$385; office rent, \$1200, same; furniture and equipment, \$200, same; traveling expense (excluding elected officials) \$360, same; office heat, light, water \$300, same; janitor service and supplies, \$150, same; telephone and telegraph, \$300, same; total, \$19,870, \$17,895.

Interest on anticipation warrants: \$1850, \$1500. Provision for contingencies: \$4083, \$4000. Social security payments: \$49, \$333. Total of estimated expenditures and appropriations: \$182,100, \$176,968.

**Steve Gushieff, 49, Dies Suddenly Friday**

## Miss Marilyn May Lombardi, Cpl. Floyd Dale Price Wed

One of the largest of the late winter weddings was that Saturday morning at Sacred Heart Catholic Church of Miss Marilyn May Lombardi, a daughter of Mr. and Mrs. Arline Lombardi, 1517 Garfield avenue, and Cpl. Floyd Dale Price, son of Mr. and Mrs. Orlis Price, 2103 Alexander street.

Rev. John Barrett officiated at the 11 o'clock ceremony after which Mr. and Mrs. Lombardi entertained the wedding party at breakfast in their home. In the evening a reception was held at the American Legion Home in Venice.

Bouquets of white gladioli and pom poms, interspersed with greenery decorated the altar and sanctuary.

Mrs. Margaret C. O'Connell, organist, and Keith J. Parker, soloist, provided a program of wedding music. The latter sang "Ave Maria" and "On This Day."

Mr. Lombardi gave his daughter in marriage. They were preceded down the white-carpeted aisle by Miss Brenda Norwood, a cousin of the bride, as maid of honor. Mrs. Carolyn Ezell, the bridegroom's sister, and Miss Stephanie Turk, another cousin of the bride, bridesmaids, and George Barker Jr. and Mary Jo Conreux, nephew and cousin of the bride, ring bearer and flower girl.

Cpl. Price was attended by Robert Kraus, best man, and Michael Lombardi, Jr., and James Chonko, cousins of the bride, groomsmen. George Barker, and William Ezell, brothers-in-law of the bride and groom, served as ushers.

Imported Chantilly lace and nylon tulle over taffeta fashioned the gown worn by the former.

## Dore-Applegate Nuptials At Macomb, Ill.

An out-of-town wedding of interest over the weekend was that of Miss Linda Applegate, daughter of Mr. and Mrs. Howard Applegate of Litchfield, Ill., and Larry M. Dore, son of Mr. and Mrs. Albert E. Dore, 46 Riviera drive.

The informal ceremony was performed Saturday at the Macomb Presbyterian Church with the Rev. Courtney Burroughs officiating at 7 p. m. The bride's parents gave a reception afterward at their home.

For her wedding, the former Miss Applegate wore a white tulle suit and a light blue hat and accessories. Her flowers were baby orchids.

Attendants were Miss Theda Applegate, the bride's sister, and John Boyer, the bridegroom's brother. The bridesmaid was attired in a costume of light blue and beige with harmonizing accessories and corsage.

The newlyweds will reside here after the bride completes her studies at Western Illinois University in Macomb, where she is a Junior. She is a graduate of the Rushville, Ill., high school. Mr. Dore, who graduated from the Granite City high school, also attended Western Illinois University. He is presently employed by the Emerson Electric Co., in St. Louis.

## MARRIED IN CIVIL CEREMONY

Mrs. Nettie Vandavey, 2022 Washington avenue, and Martin Civar, 2215 State street, were married Friday afternoon by Justice of the Peace Phil Winkler.

The ceremony was performed at three o'clock. Miss Lena Wolfmeyer and Phil Winkler were the witnesses. Mr. and Mrs. Civar will reside at the State street address. He is employed by the Granite City Steel Co.

## Thief With Purpose Steals Snow Shovel

A thief with a purpose made off with the snow shovel from the home of Dion Spicer in the 2600 block of Denver street, according to a report made to Granite City police Thursday afternoon.

The theft occurred as most Quad-Cityans were trying to shovel away a 10-12 inch accumulation of snow.

## Hearing Postponed On Pontoon Water Project

A National Labor Relations Board hearing related to the Pontoon Beach water system construction project was postponed Thursday until Thursday, March 10. All parties asked for the delay due to adverse weather conditions.

## Crash On Niedringhaus

Autos driven east on Niedringhaus avenue by Lester B. West, 38, of Collinsville, and Everett D. Wood, 27, of 2216 Iowa street, were involved in an accident Thursday afternoon at the Grand avenue intersection. Police said West's auto was stopped at the signal light, while Wood was unable to stop in time and struck the rear of West's car. No injuries were listed.

Crash On Madison Ave.

Autos driven north on Madison avenue by Floyd E. Hawk, 33, of 2210 Lee avenue, and Albert E. Timko, 35, of 1400 Madison avenue, were involved in an accident last night at the 20th street intersection. Police said there was damage to the front of Hawk's auto and to the rear of Timko's car.

## Venice Township Relief Costs Down In February

Relief costs for February in Venice township went down almost \$2000 from the previous month, figures released by the township office revealed today.

During February, 153 families received aid totaling \$10,785, compared to \$12,478 for 155 families in January. The February totals include aid to 487 people while in the month before 506 people were helped.

For the fiscal year, now drawing to a close, the township has

handled 1766 cases involving 6274 people for a total cost of \$128,635. Calendar year totals amount to \$24,264 spent in 308 cases including 333 persons. Last year at this time, there were 372 cases involving 1192 people for a total of \$24,689.

Last February, the total amount of aid was \$11,582 after a January total of \$13,106. The 1959-60 fiscal year relief total was \$12,285, including \$12,202 spent by the township in March.

## GCIS, 88 Other Schools In Articulation Meeting

Principals, counselors, and mathematics and English teachers from Granite City and 88 other Illinois high schools will gather at the University of Illinois March 15-16 to confer with former pupils now attending the University.

Nearly 1000 U. of I. undergraduates will sit down with their former teachers to discuss how high school courses could have given them better preparation for college-level work. In other sessions, the high school instructors and members of the U. of I. mathematics and English faculties will explore ways to ease the transition from high school to college through coordination of subject material.

Those attending from GCIS will be Principal Lawrence McCauley, Roy McConkey, Mrs. Frances Statton, Helen Kuenstler and Robert Nelson. The meeting, formally known as the seventh School-University Articulation Conference, will begin with dinner at 6:30 p.m. March 15 in the Illinois Union.

On March 16, sectional meetings will be held for counselors and mathematics teachers. At the same time, English teachers and principals will hold informal discussions with former pupils.

The 89 schools taking part were chosen on the basis of size and geographical distribution to provide a cross-section of Illinois secondary educational institutions.

## Crash On Madison Ave.

Autos driven north on Madison avenue by Floyd E. Hawk, 33, of 2210 Lee avenue, and Albert E. Timko, 35, of 1400 Madison avenue, were involved in an accident last night at the 20th street intersection. Police said there was damage to the front of Hawk's auto and to the rear of Timko's car.

## Hearing On Raising Rail Crossing Grade

A hearing will be held March 17 by the Illinois Commerce Commission in Springfield on a request for permission to raise the grade of railroad tracks five feet at a crossing with a public road near Mitchell. The road would have to be raised the same height.

The Gulf, Mobile and Ohio and the Cleveland, Cincinnati, Chicago and St. Louis (New York Central), together with the Wood River Drainage and Levee district, have asked that the crossing be closed temporarily during the construction period. The petition discloses an agreement between GM&O and the federal government, under which the railroad is to raise the grade of its bridge and the bridge's earth embankment approaches for flood control purposes.

GM&O says the bridge carries the single-track main line of its eastern division over the Calhoun Creek diversion channel at a point three miles north of Lenox.

The project is part of improvements being carried out by the Army Corps of Engineers, in cooperation with the Wood River and East Side levee districts, for flood control.

The bridge agreement includes a similar arrangement on the New York Central main line, which parallels the GM&O tracks 60 feet away. The grade crossing with the public road in Chouteau township is 200 feet north of the northern end of the bridge.

Alignment of the road would be slightly revised to eliminate curves at and near the crossing. During the work on each set of tracks, trains would be routed over the tracks not being raised. Barricades would be erected to divert the public road, with autos diverted to Route 67a six-tenths of a mile west of the crossings and to Route 111 at a point 1.11 mile east of the crossings.

## FREIGHT CO. PAYS FOR DAMAGES—SAVING PASSED ON TO YOU

We purchased a truckload of dinette sets and when we inspected them we found that many of them had been damaged in shipment from the factory over the ice-covered roads. We collected for freight damages from the shipper but WE DON'T WANT TO MIX THESE SETS WITH OUR REGULAR PERFECT MERCHANDISE. Therefore, we're deducting what we received for freight damages from the price of the dinettes and passing the saving on to you.

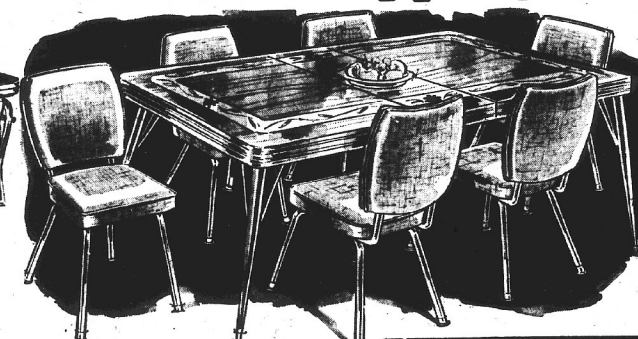

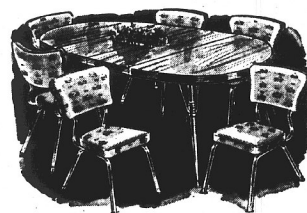

### 5-Pc. and 7-Pc. Dinettes BRONZETONE - BLACKTONE - CHROME

We've got a terrific selection of styles, colors and designs in all the popular finishes. These are fine quality sets that were to have been sold for \$59 to \$169 but because of the freight damage we've cut the prices as much as 50% and more to dispose of them at once. But you had better hurry so that you can make your choice while the selection is still complete.

## Community Concert Group Plans Membership Campaign

Robert Dan Todoff, president of the Tri-City Community Concert Association today announced the completed plans for the annual membership campaign of the group as scheduled for March 21 through 26.

Mrs. John McCabe Moore, campaign chairman, reported that response to requests for help in the drive has been enthusiastic and gratifying, and that names of 138 helpers will be in the hands of the dinner chairman, Miss Martha Cowan, at once.

Miss Cowan will mail out RSVP invitations to all workers and expects a large turnout. Eugene Alassi, head of the high school art department, has completed decoration and program plans for the dinner. The dinner party, initiating the official drive week, will be served by the ladies of the St. Peter Evangelical and Reformed Church, 21st street and Cleveland Blvd., as announced by Miss Cowan.

Mrs. Moore has encouraged all workers who participated last year to contact their renewal memberships before the drive week, and renewed memberships have been sent to all 1959-60 members by mail.

Mrs. Helen Simpkins, secretary, in charge of campaign headquarters in the Chamber of Commerce office, 1930 Madison avenue, said the telephone number of the association for March 21 through March 26 will be TR 7-3434.

The board of directors said Samuel Meyer and the Chamber of Commerce have extended the courtesy of office space to the group for the campaign.

Information on the membership drive may be obtained from Drive Chairman Mrs. John McCabe Moore, Secretary Mrs. Simpkins, or any of the following workers:

Warren Simpkins, Mrs. Muri Anderson, Carl Meier, Miss Ella Rae Smith, Daisy Turner, Al Froelinger, Mrs. Froelinger, Mr. and Mrs. Gilbert Rosch, Mr. and Mrs. James E. ## 150 Attend World Day Of Prayer Service

Approximately 150 persons attended the annual World Day of Prayer service Friday evening at Central Christian Church on Johnson road sponsored by the Quad-City Council of Churches Women.

The speaker, Mrs. Allan Hackett, of St. Louis, was introduced by Mrs. Paul Surber, president of the council, discussed her recent travels in Asia and described the many projects of the American people and their help to the refugees. Mrs. Taylor of the Names, Presbyterian Church and Mrs. C. Hileman of the Dewey Avenue Methodist Church greeted the guests, and taking part in the service were Ed Branding of St. Peter Church, who served as chairman; Mrs. Joe Hanson, of the host church; Mrs. James Shane, Mitchell Presbyterian Church; Mrs. William Baucum, Mount Nebo Church; Mrs. James Spaulding, First Presbyterian Church; and Mrs. Corinne Hume, of Nidderhagen Memorial Methodist Church who read the Scripture lesson.

Rev. and Mrs. Leroy Pittman and Mr. and Mrs. Dick Oliver were in charge of the collection which is used for interdenominational mission work, and special music was furnished by a trio from the Mt. Nebo Church.

**Boy Known Locally Killed in St. Louis**

A St. Louis boy, Gene Orville Hyde, 15, who was killed Saturday afternoon in a shooting accident in St. Louis, is the brother of Wilbert Pryor, 2088 East 27th street, and nephew of Mrs. Fred Stevens, 2223 Washington avenue.

The boy, son of Mr. and Mrs. Claude Hyde, 1810 North Lettingwell street, St. Louis, was visiting a friend, and a 410 gauge shotgun discharged accidentally as the friend was examining it. The pellets entered the boy's left side. He died three hours later at Honer G. Phillips Hospital, St. Louis.

Mrs. Stevens said the Hyde family visited here frequently.

**Motorist In Accident Faces 'Yield' Charge**

A charge of failure to yield right-of-way was placed against Clifford Snider, 34, of 3829 N. Namook road, who was arrested shortly before midnight Friday following an accident at Namook road and Amos avenue. He was later freed on \$11 cash bail.

Police said Snider was making a turn off Amos avenue into Namook road and was involved in an accident with an auto driven north on Namook road by Norman Powell, 28, of 3402 Franklin avenue. Snider was taken into custody at Namook road and Primrose avenue.

**Suicide Attempt By Woman, 26**

A 26-year-old married woman was given emergency treatment at St. Elizabeth Hospital about 2 a.m. Saturday after she had taken a number of sleeping pills in an apparent suicide attempt. The woman, who was taken to the hospital by her husband, underwent a stomach lavage and was released later Saturday. The family resides in the 2000 block of Elm street.

## Heart Fund Drive Still Hurt By Weather

Weather continues to plague Heart Fund drive workers when for the second straight Sunday Madison and Venice area house-to-house collections were not completed, according to William Caudle, chairman of the area drive.

As of this morning workers from the two cities turned in \$500 but many homes must be contacted this week before final figures can be tabulated. The drive, including Granite City's Heart Sunday contributions last week and gifts from businesses, has reached the \$4400 mark with many sources of income still unsupported.

"Despite the weather conditions we are doing better than last year," Caudle said. "I assure we will beat the \$5000 total when all the contributions are in."

The current year's goal is \$7500. The drive will end when the house-to-house drive in Madison and Venice is completed and when all outside collections are tabulated.

**Funeral Services Held For Mrs. Mary Ann Mayo, 93**

Funeral services were held Thursday afternoon at Doe Run, Mo. for Mrs. Mary Ann Mayo, 93, mother of Mrs. Rose Brennan of Granite City.

Mrs. Mayo, a native of Wentz, Mo., died last Monday at the home of a son, Frank Mayo, Ironton, Mo. Other survivors are two brothers, two granddaughters, great-grandchildren and five great-great-grandchildren. Burial was at Doe Run Cemetery at Doe Run.

**Auto Accident**

Involved in an accident Thursday afternoon at 16th and State streets were auto driven by Sandra Kolfelt, 17, of 2105 Illinois avenue, who was traveling west on 16th street, and Bobby L. Thompson, 30, of Mesa, Ariz., who was going south on State street. Police said no one was hurt, but there was damage to the front of the Kolfelt car and to the left side of Thompson's car.

**3 Divorces Granted In City Court Here**

Charging extreme and repeated cruelty, James N. Raskovsky was granted a divorce from Sandra Raskovsky, married July 19, 1959, the children couple separated Dec. 6, 1959. The defendant's maiden name of Guilmott was restored by the court.

William Eugene Whitson, also charging cruelty, was given a divorce from Wanda Faye Whitson. The couple was married Dec. 24, 1956, and separated Feb. 5, 1960. The custody of two minor children, ages two and three, was granted the plaintiff by the court.

On similar grounds, Mildred Anderson won a divorce from Clarence Anderson in Saturday's final case. Married June 19, 1948, the couple separated Dec. 26, 1958. The custody of two minor children, ages seven and 10, was awarded the plaintiff.

### SURPRISE STORK SHOWER SUNDAY

Mrs. Frank Onesty Jr., 2973 Iowa avenue, was honor guest at a surprise stork shower Sunday afternoon at Liberty National Home, 15th and Grand avenues, given by Mrs. Wayne Holt, Mrs. Joseph Bolt and Mrs. Steve Dudak. She was the recipient of many gifts.

There were a number of prizes given in games, after which refreshments were served to approximately 60 guests. Centering the table was a stork pushing a 22-year-old pickler doll, bumper, pink and blue streamers extending from the buggy to the stork's beak. Miniature storks decorated the table and favors were flannel diaper nappies.

### PARTY FOR VFW BY PAST PRESIDENTS

A birthday party was given by the past presidents of the Veterans of Foreign Wars Auxiliary at the Post home for their husbands brought to a close the park district's Sunday evening.

Dinner at 5:30 was served to a number of guests and a brief business session was conducted by Mrs. Freda House. The remainder of the evening was spent at games and prizes were won by Mrs. Ida Cox, Mrs. Irene Hendricks, John Schillinger, and Mrs. Clara Conway.

## Need To Keep, Attract Industry Makes County Zoning Plan Vital

The need to maintain and attract industry to Madison county makes it paramount that land use and zoning controls be established as soon as possible, in calling for support from county board members and the public, Alton May, the board's planning and zoning committee chairman, said.

"We stand to lose thousands of new jobs" to the 20 Illinois counties and other areas already having such controls.

A unique aspect of land use planning and controls is that labor, industry, governmental units and the public all stand to benefit. Job security is bolstered, long-range industrial expansion plans are made feasible, governmental planning is simplified and a broader tax base is achieved, easing the tax burden on individuals.

At the same time that orderly growth is encouraged, agricultural land is exempted and cities retain control within a mile and a half of their limits. The public, chief beneficiary, is given a powerful voice in the decisions through public hearings in each township.

May, who feels the county should have zoned its unincorporated areas 25 years ago, and must not wait any longer, will ask the county board at its meeting March 16 to appropriate \$10,000 for a zoning survey to augment \$15,000 previously allocated for a land use study.

It is important that the two surveys be made at the same time, and both are essential to later adoption of the needed controls. Supervisors and assistant supervisors throughout the county can perform a significant public service by approving the recommendation to be given March 16.

Try always to be sure that the information you get is not misinformation.

## Red Cross Chapter Aiding Servicemen, Veterans, Public, Disaster Victims

This community has already contributed its share toward the 1960 nationwide Red Cross drive through the United Fund, but the general observance of Red Cross Month in March calls attention to the work of both the local chapter and the world wide organization. A timely example has been afforded by the prompt aid to a stricken Morocco coastal town where over 4000 persons were killed and thousands more were injured.

The Red Cross idea was born in Europe a hundred years ago and spread to this country over three-quarters of a century ago. The American Red Cross charter specifies the welfare and voluntary relief of members of the armed forces and relief for victims of disaster. Problems of health, safety and welfare in rapidly-growing cities also are being substantially eased by first-aid, nursing, water safety and other services.

In the Quad-Cities, the Red Cross serves as field director for the Army Engineer Depot. When a serviceman is granted an emergency leave, he is given a loan for transportation and meals enroute without being questioned. Repayment, if he is able, is arranged after his return. The chapter also has been active in other aid and outright grants to servicemen and veterans, entertainment of servicemen in the Scott Air Force Base hospital, maintenance of active Junior Red Cross units in high schools, first-aid and water safety programs, disaster relief, travelers' aid, civil defense and countless other fields.

The strength, mobility and experience of the Red Cross are assets to this area and nation in withstanding disaster and epidemic and the dangers of national emergency. All persons cannot be present even personal or large-scale disasters strike and people call for help; but what none can do alone, all working and giving together can do, through the Red Cross.

Everybody is entitled to his, or her, own opinion in regard to religious matters.

## Civic Award Dinner Gaining Widespread Favorable Publicity For This Community

The banquet is over, but the memory lingers on. This year's Civic Achievement Award dinner has received widespread attention in the Midwest and nation, placing the entire community in a favorable spotlight. Compliments are still being received on the efforts of all those who played a part in the history-making events that prompted the award and the record-breaking gathering at which it was presented.

The award banquet will not soon be forgotten in the Quad-Cities, either, for it touched on the heart of this area — steel and the men who make it. Basis of the citation was the effective work of the negotiating teams that represented the United Steelworkers of America and Granite City Steel Co. in important contract talks.

The union negotiators, headed by Lloyd McBride, sub-district director, were William B. Webb Jr. and Marshall Willis of Local 16, Alex V. Skubish and George Wilkinson of Local 30, Phillip Sykes and William O. Bell of Local 67 and Raymond O. Newby and Norman L. Branding of Local 68. Skubish was chairman of the joint union committee and Webb was vice-chairman. Alternate members were Walter Williams of Local 16, Henry Cophan of Local 30, Franklin Jones of Local 67 and Floyd Linger of Local 68.

The management negotiators were headed by Lyle F. Guiley, vice-president in charge of operations, included John R. Hundley, H. Culver Smith, Paul Turney, Frank J. Burger, Russell C. Solomon, Clarence R. Mitchell, Harold A. Muttach, Robert M. Edwards and Art Schoenebeck. Norman Garrett served as secretary at the bargaining sessions.

The negotiators succeeded in upholding the interests of the groups they represented while at the same time giving due consideration to the public welfare. The civic award recognized their service to the community in avoiding a costly strike. The significance of the event and the visit by David I. McDonald, United Steelworkers international president and an AFL-CIO vice-president, have succeeded in setting the Quad-Cities "on the map" nationally in respect to good labor-management relations.

Just because a man is a good sport does not necessarily mean he is a good man.

## Insect Control Affording More Abundant Illinois Farm Crops

Cranberries notwithstanding, chemical sprays have proven invaluable to Illinois farmers. By applying insecticides to fields in accordance with Illinois Natural History Survey recommendations, farmers have been achieving much more abundant crops, new statistical reports show.

The effect of insect control on yield, as determined by intensive studies, is that huge amounts of food and other farm products are being saved. Estimated savings in this state in 1959 were \$5,444,334, compared to \$3,023,223 worth of crops saved in 1958. As any farmer can attest, that amount is not "hey."

## Local Postal Clerks

To Get Aid From Wives

Wives of postal clerks in Granite City are currently organizing a drive for post office pay increases. Mrs. Daryl Few, 2926 Nameoki road, president of the woman's auxiliary said today.

"The women behind postal employees have a major responsibility in making clear to our Congressmen that wage increases are necessary," Mrs. Few said. "Postal employees' wages have lagged behind pay in private industry since 1951."

The postal clerks union is supporting a bill introduced by Rep. John Foley of Maryland which would increase pay by \$650 a year.

## Morocco Aid Funds To Be Sent

No special drive for funds is being conducted by the American Red Cross in connection with disastrous earthquakes in Morocco, but any voluntary contributions of cash only will be transmitted to the League of Red Cross Societies or the Moroccan Red Crescent.

Henry D. Karandjeff, chairman of the Tri-City Chapter, American Red Cross, has been informed that area residents wishing to learn about the safety of American civilians living or touring in Morocco may submit inquiries to the Office of Special Consular Services, Department of State, Washington, D. C.

Inquiries concerning American servicemen stationed in Morocco should be handled through regular channels. Inquiries about Moroccan citizens should be directed to the Embassy of Morocco in Washington, D. C., but there may be considerable delay in obtaining accurate information about the whereabouts and dispersal of injured and homeless.

Karandjeff has received word that the League of Red Cross Societies, which for two months has been conducting a rehabilitation program on behalf of 10,000 Moroccan paralysis victims, has assigned 11 doctors and 11 nurses from Red Cross teams to support emergency medical care for earthquake victims there. Two of the 11 nurses are from the American Red Cross and three other American nurses who have been serving in Europe have been asked to report for immediate duty in Morocco.

The American Red Cross also has called \$10,000 for purchase of medical supplies, and the American Junior Red Cross has offered a large amount of children's clothing in league warehouses.

## Optimists Hear Easter Seed Director Speak

Colored slides and comments on facilities of the Madison County Crippled Children's Association were presented by Carol Roach, executive director of the Easter Seal campaign for Madison county, and Mrs. E. E. Veihl, Monday at meeting of the Noon day Optimist Club at the Elks Club.

The association's two primary locations are in Alton and Edwardsville, the speakers said, and treatment of crippling diseases and birth defects are available there primarily for children, although adults are also treated.

Occupational and speech therapy classes at the treatment centers were described, and Optimists saw slides showing the exercising equipment used at both locations.

The clinics have served an average of 125 persons per year since their beginning, the speakers said, with approximately 65 of that number classified as inpatients.

A recent survey, Mrs. Roach said, showed that an additional 535 persons in the county need treatment similar to that offered in Alton and Edwardsville. Current patients do not pay a full treatment fee, and the cost of treating 20 patients this past year was financed through the sale of Easter Seals, she added.

Among the 40 attending the meeting was a guest and prospective member, Ed Stone.

## Relief Costs Up In Nameoki Twp.

Nameoki township relief costs of \$4588 for February were the highest of the fiscal year, which ended Feb. 29, it was learned Friday from the office of Supervisor Harry Briggs.

However, the relief load of 56 cases with 303 individuals was slightly less than the January total of 57 cases with 326 individuals.

The January cost was \$4226. In February 1959, there were 41 relief cases with 177 persons and costs of \$2658.

Total relief costs for the 1959-60 fiscal year amounted to \$28,838.

## Relief Load Drops In GC Township

A sharp decline in Granite City township relief load was reported for February, with the number of cases dropping from 54 in January to 47, according to a report Friday from the office of Supervisor Leonard Oram.

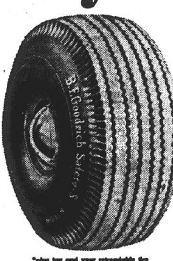

The 47 cases with 157 individuals cost \$3912 for the month, as compared to \$3523 for the 178 persons on the relief roll in January. In February 1959, the totals were 85 cases with 322

persons and costs of \$6047. Total relief costs for the fiscal year, which ended Feb. 29, amounted to \$51,902.

But back to business—the water business, that is.

Our message for today is this: A good water system helps keep down fire insurance rates. That's a fact. Insurance underwriters recognize that an ample supply of water at reasonable pressure is of first importance in preventing the spread of fire. And they make allowance for this in setting their rates.

That's something to think about.

## Madison-Venice Storm Relief Lines Will Handle Big Rain

The new storm relief drainage system in Madison and North Venice will be able to handle any heavy rainfall which might occur in a five-year average period, based on weather bureau statistics, Edward Junesau, civil engineer of the Sheppard, Morgan and Schwaab firm, Madison city engineers, said this week.

The project, which could be finished in a year and a half, will be constructed in sections in a cooperative program involving the East Side Levee and Sanitary District, city of Madison, city of Venice and the Granite City Engineer Depot. Bids for the first part, section "B," will be opened at the levee district office in East St. Louis at 10:30 a.m. Friday, March 25.

### Station Location Indefinite

"Since we're not sure of the exact spot the government will build the station, we have to end section 'B' far enough away so that the pipe can be started in the right direction," Junesau said. The first section of the drainage line will be 84 inches in diameter from the start to the present pumping station, where it will narrow to 78 inches until reaching the east side of Klein street in Venice. This first section will go through open territory parallel to the Terminal Railroad Association tracks leading to the Merchants Bridge. It will go under the C&N, Wabash and New York Central railroad tracks. This pipe will be 17 feet underground and will have North Venice and West Madison area lateral lines connected to it.

Section "A" of the project will be an open ditch from the Mississippi River to near the proposed pumping station.

Madison Avenue Line Section "C" will connect with section "B" at Klein street and will lead to the south end of Madison avenue at Collinsville avenue. The line will go south of the Celotex Corp., cross under the Terminal Railroad tracks under the Broadway viaduct and go through Hyman-Michaels Co. property to Madison avenue. This line will be 78 inches and also about 17 feet deep.

The next part, section "D," will travel one block on Madison avenue to Market street, go east on Market to Washington avenue and then north on Washington to Eighth street. This will be a 72-inch pipe and will be 12 to 15 feet underground. From Eighth street to the northern city limits, and for all lateral lines, the project does not have sectional letters. This work will be the city of Madison's part of the system. The rest of the trunk line will narrow to 42 inches and then 24 inches.

Drainage Laterals The laterals, branching out in the two cities, will be of varying sizes, depending on the amount of rain load the line will be expected to handle. They will range from 42 to 12 inches and will vary from three to 12 feet underground.

The project will first go under streets with Section "D" at the end of Madison avenue near Collinsville avenue.

Since the lines are going to be large, they will probably be laid down the middle of the street, Junesau said. Difficulties may arise with utility lines under the street, such as water and telephone

lines. In this event, the lines may be moved to provide space for the big drainage lines, he explained.

### Reparing Up To City

Although the contractors will replace and pack the dirt in the excavations, the responsibility for repaving the street will be in the hands of the city.

The storm relief system will be used only for storm water and will not carry sanitary sewage. The present sewage lines are performing both functions.

The sanitary sewage lines will interconnect with the new lines at the proposed pumping system for pumping in case of high water or an unusually heavy rain.

It is believed that if the river is high or rain is heavy, the great amount of storm water would neutralize pollution, so that it need not receive additional anti-pollution treatment other than any treatment facilities for non-high-water conditions.

"We're anxious to get started on this," Madison Mayor Stephen Maerz said.

"But as it now stands, we can't get going on our part of the project until the main trunk lines are down. This is because of the danger of a heavy rain coming, and our lines would have no place to empty the water."

### Hope For Late Summer Start

"I hope we can begin by late summer on our part. We'd be glad to start now if we could," Maerz said.

The relief system could be used before the Army Corps of Engineers builds the new pumping station, because the present station could be used. But since it only has a 60-inch pipe extending to the river, the drainage project could not supply too efficiency.

The Corps of Engineers is to build the pumping station in exchange for the right to use the trunk line to drain depot property.

### Man Injures Wrist In Fall On Ice

Walter Summerfield, 39, of 1625 Sycamore avenue, suffered injuries to his left wrist and forearm Friday when he slipped and fell on an icy pavement. He received emergency treatment at St. Elizabeth Hospital.

A 21-month-old baby girl, Lisa Gilbert, daughter of William Gilbert, 2848 Edgewood avenue, also was treated for an arm injury. The infant fell from a high chair to the floor. A cast was applied to her right forearm.

### Traffic Accident

Autos driven by Arthur McFarland, 55, of 2612 Madison avenue, and Carl Meyer, 22, of Savannah, Mo., were involved in a collision yesterday afternoon in the 1400 block of Edwardsville road. Granite City police said there was damage to the front of the McFarland auto and to the rear of the Meyer auto. No injuries were listed, although the McFarland car was towed away.

### Autos Collide

Autos driven south on Namtold road by Ronald L. Felchlin, 18, of 2024 Manley avenue, and Alfred R. Witt, 32, of Belleville, were involved in a minor collision near Clark avenue Friday evening. Police said no one was injured.

Green Stamps  
help keep  
ILLINOIS  
PRICES DOWN!

Like the ads of local merchants that you see in this newspaper, S&H Green Stamps boost business. At the same time they help keep prices down.

Here is why: When a store sells more, it can sell for less, since bigger volume brings lower costs.

Stores that use S&H Green Stamps must sell competitively. Illinois housewives are expert shoppers. They read the ads. They check and compare prices. And they can't be fooled!

Trading stamps are being saved today by two out of three American families—about 35 million in all. And their use is still growing in this and other States.

For the best values, shop at the stores in your community that give S&H Green Stamps.

## Brownies Kickoff Cookie Sale Campaign Saturday

Members of Brownie troops in the Tri-City Girl Scout Council began a door-to-door sales campaign here late Saturday morning as the semi-annual Girl Scout cookie sale got underway. Approximately 200 girls in the Brownie age group, will take orders for Girl Scout cookies through Thursday of this week. Profits from the sale of cookies, amounting to about 7 cents a box, will be used to defray the expense of troop re-registration with the National Girl Scout office. The local council, which includes Brownie troops from Granite City, Madison and Venice, has also received permission to use a portion of the cookie sale profits for the further development of the Girl Scout permanent camp site at Camp Lakota, near Glen Carbon. Facilities there, which include an newly completed permanent lodge, will be dedicated during open house ceremonies there on March 27.

Council President Mrs. Robert Winninger, who presided at a cookie sale kickoff Saturday morning at the Washington theater, said that cookies are selling at the regular price of 40 cents a box. Three types, vanilla and chocolate cream, nuts and savannah, are available.

Brownies conducting the sale will take orders on official order blanks this week. Mrs. Winninger said customers do not pay the girls when ordering, but when the cookies are delivered to their homes, probably on Saturday, March 26.

Final instructions to Brownie salesmen were given out at the Saturday kickoff meeting, together with the official order books. Those attending also viewed a movie program of the theater and began the sales campaign shortly before noon.

## Granite City Aids In Honoring Music Teacher

James Wade, Granite City composer, served as chairman at a banquet held in Chicago's Cliff Dwellers Club honoring the 70th birthday of Jeanne Boyd, composer- pianist on the faculty of the American Conservatory of Music. It was learned here that Boyd, almost 100 musicians, educators, and students of Miss Boyd over the past 45 years attended.

Principal speaker was Dr. Leo Sowerby, Pulitzer Prize-winning composer. The guest of honor was presented with an album containing hundreds of greetings from friends and colleagues, and a check for \$1000, representing a communal gift. The evening concluded with a musical program of compositions by Miss Boyd, who has been a teacher for a number of years.

Wade, who organized and directed the event, attended the banquet with his wife of a few days, the former Leona McClellan of University City. They were married in Chicago the preceding week, and are making their home there for an indefinite period.

The price of everything we buy is determined by its quality. This is just as true of ice cream as of anything else. You'll find DEL-FLA ICE CREAM costs a few cents more — because it costs more to make. The secret of its delicious flavor lies in the freshness of the pure graded pasteurized rich cream and dairy products used the same day they are received.

We are not faced with the problem to use odds and ends, returned or distressed materials to use up. Remember, you can pay less money for your ice cream, but it won't be as good.

## Observance of Girls Scouts' 48th Birthday Begins Today

'Adult leaders and Girl Scouts in the four neighborhoods which make up the Tri-City Girl Scout Council joined today with members of the organization all over the world in the observance of Girl Scout Week here.

The theme for week-long activities here, held to celebrate the 48th anniversary of the Girl Scout movement, is "You can count on her to be prepared to meet the future."

Local membership totals some 1700 girls aged seven through 17, who are enrolled in the Brownie, Intermediate and Senior Girl Scout programs. Leadership is made up of 250 adults plus 30 council members.

Mrs. Robert Winninger is council president.

To draw attention to the celebration of its 48th anniversary, the Girl Scout organization here completed the installation of 33 window displays at various business houses in the area Saturday afternoon. The displays, which stress some phase of the Girl Scout program, will remain on view all week.

Girl Scout troops celebrated their anniversary celebration yesterday by attending the church of their choice in uniforms, accompanied by adult leaders.

Beginning today and continuing through Saturday, the girls will stress one phase of their program each day. The subjects include homemaking, citizenship, health and service, international friendship, arts and crafts and the 48th birthday celebration.

The semi-annual Girl Scout cookie sale began Saturday and will continue through Thursday, drawing further attention to the organization and its aims.

## Canal Tonnage Breaks All February Records

Waterway traffic through the Chain of Rocks locks broke all records for any February since the locks were built. It has been announced by Col. Charles R. Schwelmer, district engineer, U. S. Army Engineer District, St. Louis.

At Locks 27, the traffic totaled 1,750,897 tons, an increase of 388,946 tons over the previous high. The gain was attributed to a backlog of traffic when ice was unusually heavy in the previous month, and to continued recognition of the value of the inland waterway.

Commercial tonnage accounted for all but 300 tons of February's record-breaking total, and brought the total tonnage for the year to 3,131,510, as compared with 2,356,046 at this time last year.

Of vessels using the locks in the two-month period increased from 4041 in 1959 to 4605 this year. Total lockages were up from 929 to 989.

Upstream commercial traffic topped that moving downstream.

997,092 tons to 753,505 tons. A breakdown by commodities (transported showed: petroleum products — upstream 418,230 downstream 170,600; grain—up 117,000, down 348,000; coal—up 139,250, down none; cement—up 10,100, down none; chemicals—up 53,600, down 61,045; miscellaneous—up 321,362, down 63,760.

Commercial vessels using the locks included 539 towboats, 10 small craft, no passenger boats, 1974 barges and one recreation boat. Government tonnage included one towboat, six barges, eight cruisers and patrol boats for a grand total of 2529 vessels and 487 lockages.

## All-America City Film Is Much In Demand

Granite City's All-America City film has proven to be one of the most popular items at the public library. It was loaned this week from Librarian Mrs. Mary Gene Knufinke.

Since it was presented to the library on Feb. 9, it already has been loaned to 15 different organizations for viewing by over 500 persons and was in steady demand over the past weekend.

Mrs. Knufinke said many clubs, churches, PTAs, veterans' groups and lodges have shown the film to members, and while there are a number of open dates, the reservation lists date all the way into May.

The showings have averaged better than twice a week, and so far, Mrs. Knufinke said, arrangements have been made for the photographer, Harry Fehle, to show the color-sound film to those organizations requesting it.

Year of a parked car belonging to William R. Layton, St. Louis, according to a report made to Granite City night police at 11 o'clock last night. No injuries were listed.
